

# IT IS MANUFACTURED AT HOME

As a business proposition, it pays to trade at home, conditions being equal as to the value offered; but when you can get a better article at home on as good terms there is an added reason for patronizing the home institution.

## Do You Drink Beer?

If you do, then why not drink the best? Beer is not a necessity, but a luxury, and if you must have a luxury of that kind, then get an article that is absolutely pure, and which is made at home by

Medical Lake Salts Mfg. Co., Sole Mfrs. New York and Spokane, Wash.

Medical Lake Salts Mfg. Co., Spokane, Wash. Dear Sirs—I first came to Medical Lake in May. Was suffering from rheumatism at the time, my hands, feet and joints of legs and arms being badly swollen. Received so much benefit that, after a few days' stay, thought myself well enough to go back to my prospecting and work as a miner. I did so, but the exposure soon brought on a relapse, and two weeks ago I returned to this place for further baths. Though my feet were badly swelled and very sore when I came back two weeks ago, I can now get my shoes on and walk about with comparative comfort. Shall remain for a short time longer, until I am quite sure of being well before returning to work. Medical Lake has wonderful curative properties. It should be advertised more in order that the public might avail itself of its benefits to be derived from use of the waters. ALBERT HEMNINGER, Wardner, Idaho. For sale in Astoria by Frank Hart, corner Twelfth and Commercial; the Conn Drug Company Twelfth and Commercial and Charles Rogers, Odd Fellow's building 661.
